**Subject:** Re: Irene

Irene caught me on her way to the elevators last night at about 6 pm and told me that she had some medical things that she needed to take care of today and she wouldn't be in. Then, she told me she wouldn't be back until Tuesday. I didn't realize she was going to be away tomorrow and Monday and I was bummed because I had some Irene-specific final report that I wanted her to do by Tuesday. Oh, well.
