DeliveryPriority: Hi Kevin-I passed your resume on to our recruiter, Jamie Byrnes, in the Government and Education Group. When I initially spoke with her about your background, she was very interested, and had a specific role in mind. I will doublecheck to see if she still plans on contacting you about the position. She may just be swamped because that group just lost their other recruiter and Jamie is covering everything on her own at the moment.

I totally understand if I am not a good fit for the company, but I am interested in knowing. Thanks, Kevin
