**Subject:** Re: list of agency people

oops, sorry. We are compiling a list of agency people to invite to a press event at NARA -- if you could send me the list of specific names, that would be a giant leap in compiling the list. thanks!

Agency people who receive the federal register notices are dependent upon which agency's docs are voted on in the meeting and therefore different every meeting. The "regulars" are normally CIA, FBI, SEcret Service, sometimes NSA, DIA, DOJ, DOS, always the hill, the prez, the federal register office on north capital st.. Let me know if I can do anything further, or if you want to tell me what the tasking is I might be better able to help. Thanks, Cathy  
PS - The actual merge that I perform can be found under g:\cathy\corresp\leglette.wpd and g:\cathy\corresp\agmerge.wpd  
Tracy - is this also the info you needed? (re your voicemail).
