message on the general phone message machine and thought I shouldelaborate. Jim Lesar told me to contact
you and ask you if you havecontacted the Armed Forces Insitute of Pathology, particularly in the past12
months, and asked them if they had any remaining JFK autopsy materials? Ifso, how recently? I've come in to
information strongly suggesting that theAFIP still has autopsy materials, materials that they did not even know
theyhad until recently after a search of their archives. If it's too late forthe ARRB to act, I'm prepared to file
an FOIA suit. Important is knowingwhen your most recent contact was.Next week is going to be very tight--
mandatory overtime at work. I'dappreciate if you could email me and/or leave a message on my
answeringmachine. The number is (609) 448 - 8475.The name is-Stuart Wexler
