**Subject:** Re: While we still have letterhead, computers, and a printer  
This reminds me, although it will not be addressed to anyone specific, could you print and sign a few letters of recommendation explaining why we do not have evaluations. I also need one specifically addressed to FBI, USAID Bureau for Legislative and Public Affairs, Department of the Interior, Office of the Secretary of the Interior, and Corporation for National Service. Thank you.P.S. John was very, very nice to me and gave me a ride to work today. Please thank him again for me.
