**Subject:** Hi Chas.  
Chas., I hope all is going well . Sorry, i haven't had time to write, but things are getting crazy here. My office shuts down on Wednesday and things have gotten really ugly near the end. Between school, the job search, and recent surgery, I have been having a rough couple of weeks. The good news is that I should have a couple of weeks off before I start another job and I can really use a break. Hopefully, I will be able to spend a little more time on campus. See ya, Jim
