**Subject:** Possible Introductions  
A former colleague of mine at The Investigative Group. Inc. (IGI) Michael Fellner offered to introduce me to Jeff Goldberg (a journalist who ran the Assassination Information Bureau in the pre-HSCA days) and others in the conspiracy research community. If any of you think there is any benefit in having me and/or any of you engage in this round of introductions let me know. Michael will be here next Tuesday (4/25) at 1:00 pm if you have any questions for him directly.I have no sense at all if this is something we want/need to do and look forward to you input one way or the other.
