Subject: New Orleans

Body: I will be going to the New Orleans hearing on June 11. I am trying to coordinate the trip with a review of MCC files and perhaps BriLab tapes. The FBI apparently has located some of the BriLab tapes in the NO Field Office. If it looks as if we will have access to a sufficient number of the requested MCC boxes (appx. 138), I would like Laura (in her capacity of New Orleans project leader) to go at a time that overlaps with my trip so that we can both take a look at the filesAny further New Orleans records-related suggestions would be appreciated.
