Subject: FINCEN & IRR...

As requested, I've arranged an introduction of Jim Goslee to members of the FINCEN staff on this coming Monday...I've asked Jim to ensure his clearance has been passed to their security officer & will acquaint him w/procedures in case the Board has need for him to do work at FINCEN...We'll leave the office around 10:30 a.m. ...The only date I could arrange to be removed from the "special access" file list at IRR (which is a mandatory task) is also for this Monday, but in the late afternoon ...My contact will be in the office late, so I can travel there after we're done at FINCEN...
