Dear Mr. Marris :

It was a pleasure to speak with you the other day about various issues including the several assassination related records you have. On behalf of the Review Board I appreciate your offer to donate the photograph of yourself and Kathy Kay at the Carousel Club to the JFK Collection. You also mentioned the surveyor's map of Dealey Plaza that Bob West and Chester Breneman created. Thank you for donating the map the the JFK Collection as well.

I've enclosed a Federal Express shipping label and envelope for your use in sending these records to the Review Board.

Thank you again for your ongoing interest in the Review Board's work. I look forward to speaking with you again soon.

Sincerely,

David R. Montague
