Subject: CIA documents for upcoming Board meeting

While reviewing the list which we sent to the CIA, informing them which documents would be considered for review at the July Board meeting, I found that two documents were not identified to them as intended. The first, for which we have no NARA or CIA identification numbers, was listed with an incorrect cable number: item #15 on page one should be: ____ 21845 (not 21345): to: Chief, WH Division; from: COS; Monthly Operational Report. The second item was not included on the list: 104-10018-10040; OSW3:V6 1994.01.11.13.51.13.530028; Summary of Oswald Case Prepared for Briefing Purposes given 10 Dec 63. These are items 75 and 76 on our review table.
