I have also enclosed 119-10017-10131. Although you assured me I could send it to NARA, the Department of State stamp at the bottom of the page made me uneasy. I hope that this does not generate more work for you.

In addition, I have enclosed a copy what I believe is the first document on the list you sent me. This document and a number of others on your list were reviewed during this past year. For the others, we do not have copies of the documents, but I have enclosed NARA Identification Forms and Review Board Final Determination Forms. Unfortunately, many of these are duplicates. Nevertheless, I hope these will give you an idea of current state of some of the records. If we can offer any other assistance please let us know.

Thank you for your help with the enclosed documents.

Sincerely,

Robert J. Skwirot
