To whom it may concern:

I would like to strongly recommend Katie Gordon for acceptance at your institution.

I had the occasion to work with Katie this past summer, when she and some classmates completed an internship at the Assassination Records Review Board. As the intern coordinator, I worked directly with Katie on her project. She displayed determination, a strong work ethic, good discipline, analytical ability beyond her years, and a good degree of enthusiasm. It is my opinion that she will be a student of the highest caliber, one who consistently achieves in the top percentages of her class.

If I can answer any specific questions about Katie or the work she did for us, I will be more than happy to do so. Please feel free to contact me at (202) 724-0088, ext. 259 if you find that it might be helpful.

Thank you for your time and consideration.

Sincerely,

Christopher Barger
Analyst, Assassination Records Review Board
