

NSA DOCUMENT REVIEW SHEET

Group One Documents (66 documents)

These documents are SIGINT reports. The NSA has requested that the Board approve their requested redactions (marked in blue highlighter). Each redaction is explained in detail, and substitute language proposed, on the explanation sheets submitted by NSA and attached to the documents. The staff concurs with the suggested postponements and recommends that the documents be released as sanitized by the NSA, with the redacted information remaining classified until 2017. Please initial in the appropriate column below to indicate your assessment of each document.

Group Two Documents (7 miscellaneous documents)

The NSA has indicated in blue highlighter their requested redactions. The staff concurs with these requests, and recommends that the records be released as sanitized by NSA, with the postponed material being withheld until 2017. The NSA explanation and proposed substitute language is attached to each document. Please indicate in the appropriate column your assessment of each document.

Conclusion

The staff feels it important to emphasize that the NSA has been extremely forthcoming and cooperative with us regarding their proposed postponements. They have in each case provided an explanation or justification for their requested redaction, and have indicated a willingness to answer any further questions Board members or staff have regarding these documents.
