COMMENTS:

Jim,

Confirming my telephone request to you this morning, I am requesting that you come over to our offices either Wednesday, April 8, or Thursday, April 9, if possible, to review 5 documents for which other agencies have decided you may hold equities.

Three of the documents are on Cuba policy circa 1962-1963, and are of particular interest to us because the staff of the Army's DCSOPS has requested these three documents be withheld *in full*. The Army has also specifically requested that DIA review these three documents under the JFK Act before I present them to the Review Board for a Board Determination.

Inasmuch as the Review Board meets on Monday, April 13th, it would be most helpful if you could visit our offices Wednesday or Thursday of this week, prior to the Board meeting, while the Army reviewers are in our building.

Please leave me a voice mail and let me know your intentions.

As always, your cooperation is appreciated.

Thanks,
