Dear Steve:

I am writing to transmit to you, for inclusion in the JFK Collection, the original, paper U. S. Marine Corps Enlisted Personnel File and Medical Record for Lee Harvey Oswald.

These two records were previously held by the Headquarters, U. S. Marine Corps Personnel Support Management Branch (MMSB) at Quantico, Virginia, and were passed to ARRB via Mr. Frederick Graboske, Archivist of the Marine Corps.

They are being transmitted to you in the same condition and order as received by the Review Board.

Sincerely,

David G. Marwell
Executive Director
