Dear Dr. Mantik:

Thank you for your letter of April 24, 1997. I am enclosing with this letter an enclosure which provides the Review Board's Statement of Policy regarding the disposition of the Zapruder film which was enacted by a 5-0 vote at the Review Board's April 24, 1997 Public Meeting.

In regard to numbered item 5 in your letter, it would be most helpful if you would encourage those persons whom you have identified as "Mr. A" and "Mr. B" to contact the ARRB and provide more details to corroborate what you have related to us. Without further details from the persons who say they are directly involved with these matters, we have no substantive leads in this area that we can pursue.

Thank you for your continued interest, and input.

Sincerely,

T. Jeremy Gunn  
General Counsel and  
Associate Director for Research and Analysis
