Dear Mr. McMahon:

Thank you for allowing us to interview you on July 14, 1997 at Archives II about your experience with the Zapruder film while you were working at NPIC in 1963.

Enclosed, as promised, is an audiotape copy of your interview with us, and a copy of the NPIC working notes which was used as an exhibit during your interview.

Thank you, again, for assisting us in assembling as complete a record as possible regarding events surrounding the assassination of President Kennedy.

Sincerely,
