

MEMORANDUM

April 6, 2017

TO: Douglas Horne

FROM: JIM GOSLEE

SUBJECT: Military Intelligence Files

1. This memo is to inform you of the nature of information contained within files identified by Steve Tilley as possible JFK Assassination Records.
2. The files are Army Security Agency files from the 111th MI Group and the 112th MI Group. The 111th MI Group was responsible for intelligence and counterintelligence in the Southeastern United States and was based out of Ft. McPherson, Georgia. The 112th MI Group was responsible for intelligence and counterintelligence in the Southwestern United States and was based out of Ft. Sam Houston, Texas.
3. The files related to the 112th MI are as follows;
 - General Orders (1959), 112th CIC Group, labeled 55-1302
1 page, Assumption of Command of 112th CIC Group by Col. R. M. Reese,
dated 6 Jan 1959, Ft. Sam Houston.
 - General Orders (1961), 112th CIC Group, labeled 60-1839
1 page, Assumption of Command of 112th CIC Group by Col. Willard W.
Mize, dated 1 Sept 1961, Ft. Sam Houston.
 - General Orders (1962), 112th INTC Group, labeled 73-2107
16 pages, Award of Good Conduct Medal and Temporary Assumption of
Command Letter.
 - General Orders (1963), 112th INTC Group, labeled 9-3658
37 pages, Assorted Awards and Temporary Assumption of Command Letters.
 - Organization Planning Files (1963), 112th MI Group
8 pages, Proposal for Resident Office, Bryan, Texas, dated 9 Dec 1963.

-Spot Reports (1961), 112th MI Group
150 pages, Assorted Reports with topics including student demonstrations,
San Francisco to Moscow Walk for Peace, tornadoes, flooding, and the Freedom Riders.
{This file needs further review of approximately 5 pages}

4. An additional visit to Archives II will be necessary to complete review of Spot Reports (1961),
112th MI Group, and to review files of 111th MI Group.
