

## MEMORANDUM

October 3, 1996

From: Doug Horne, ARRB  
To: Ro, Miller Reporting Company  
Subj: Corrections to Deposition Transcripts

Confirming our telephone conversation this date, enclosed you will find corrections to the deposition transcripts of John T. Stringer, Jr. and Pierre A. Finck. Please implement the changes in the following manner:

- Please print two complete, corrected paper copies of each transcript; each of these should have a new blue cover affixed which has the words "corrected copy" affixed somewhere on the cover;

- Please provide a new disk for each corrected transcript.

In the case of the Pierre A. Finck deposition transcript, please ensure that you compare the errata sheets with the marked-up pages I have provided; I believe I have provided all pages upon which corrections were entered by hand, but a careful check of these pages vs. the errata sheets will ensure that nothing has been missed.

Please call me at (202) 724-0088, x245 should there be any questions. Thank you, in advance.
