

Dear John:

It was a pleasure speaking with you again, and I am delighted that you have agreed to assist us in understanding some of the forensic evidence related to the assassination of President Kennedy.

As I mentioned on the phone, it would be extremely useful if you were able to review the radiographic autopsy evidence at the National Archives and I understand that you have arranged tentatively to do this on the afternoon of Tuesday, February 6, 1996. In addition, if possible, we would like to consult with you in our offices on Wednesday morning, February 7, 1996.

Thank you in advance for your help in this matter. I look forward to seeing you again.

Sincerely,
