Subject: *The Political Consequences of Thinking: Gender and Judaism in the Work of Hannah Arendt* by Jennifer Ring

Dear Prof. Schwartz:

Richard Breitman suggested that I write to you about a review of *The Political Consequences of Thinking: Gender and Judaism in the Work of Hannah Arendt* by Jennifer Ring. We have received a copy of the proofs, and I am faxing a one-page description of the book. It would be great if you would agree to do this. If you are interested or need additional information, please let me know.

Best regards,
