

Letter to Will Johnson

Dear Will:

When a frame from Dave Powers' "home movie" take during the motorcade in Dallas on November 22, 1963 was published in *Life Magazine* last year, we contacted Mr. Powers in an attempt to obtain a copy of the film for the JFK Collection at Archives II. Powers graciously gave us a 35mm color negative copy of a frame from the film and told us that he did not know where the original film was located. He indicated that he would have no objection to us having a copy of the film, should we be able to locate it.

I understand that Mr. Goodrich of your staff has recently located the original film. The National Archives in College Park has offered to make appropriate high-resolution copies for us, and I would like to request that the original be made available for this purpose. Please let me know how we can best arrange this.

Should you have any questions or need additional information, please contact Tom Samoluk of my staff at (202) 724-0088 ext. 227.

Sincerely,

DGM
