Kermit:

One of my colleagues on the "International Experts Commission for the *Allierten Museum*" is the Cultural Affairs Officer at the German Embassy in Vilnius.

He is an interesting guy who, by now, knows Vilnius very well. He was excited to learn that you would be in Vilnius and has asked me to pass his phone number on to you. If you have some time, you might find a visit *mit Herrn Münch* to be of interest. His English is excellent.
