Dear Mr. Mailer:

I wrote to you on November 12, 1996 (copy enclosed) concerning former Soviet records relating to Lee Harvey Oswald. Regrettably, I have not yet received an answer.

I hope that you will understand if I renew my request for your assistance. The Board is anxious to benefit from the experience you gained in researching *Oswald's Tale*, and we would very much appreciate the opportunity of meeting with you.

I look forward to hearing from you.

Sincerely yours,

David G. Marwell  
Executive Director
