Dear Professor Blakey:

We would like to thank you again for your participation in our Experts Conference. We are very appreciative that you and the others took time out of your schedules to help us with the important issues that were raised.

We were especially appreciative of having your perspective on the House Select Committee on Assassinations and your suggestions for additional leads. Please do not hesitate to contact us if you have additional suggestions. We hope that we will be able to keep in touch.

If you have had or are having any difficulties with your vouchers or honorarium, please call one of us or Tracy Shycoff, our Administrative Officer.

Thanks again for your participation.

Sincerely yours,

*David G. Marwell
Executive Director*
