Dear Michelle:

I have enclosed a purchase order and our camera-ready artwork of our agency seal. The seal is what we would like imprinted on the credential case we have ordered.

I have marked on the logo sheet the seal size we would like to appear on the credential case. For the record, it is the size that appears on the fifth line of the logo sheet. Once you have used the logo sheet, would it be possible to return the remaining portion to us? If possible, it would be greatly appreciated.

I am the contact person for this order. Please do not hesitate to contact me if you have any questions regarding this order.

Sincerely,

Eileen A. Sullivan
