Dear Mr. DiEugenio:

Thank you again for taking the time to speak with me on the telephone last night. The information you provided will keep me busy for several days and then some! I also appreciate your offer to send your file on the John Garrett Underhill issue and your recent essay. I look forward to reading both.

I will call you in about three weeks to talk about the best way for the ARRB to approach Newboro. In the meantime please feel free to contact me. My extension number is 229, my voice mail is always on.

Thank you again for your cooperation and assistance.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
