

## MEMORANDUM

May 1, 2017

TO: Jeremy Gunn

FROM: Eileen Sullivan

SUBJECT: projects detailed in Tom Samoluk's wrap-up memo dated 3/5/98

I have reviewed and attached Tom Samoluk's wrap-up memo of March 5, 1998. I have highlighted the private donations that I can follow up on based on my familiarity with the details of each donation. I have marked the film donated by David Taplin, the videotapes donated by Stephen Tyler, the inquiry into whether or not Helen O'Donnell has documents relevant to the assassination, and the Zapruder film copy and interview tapes to be donated by David Lifton. I view my handling of the Helen O'Donnell issue only as a possibility because of the legal issues that may arise during a conversation or in correspondence.

Please let me know your thoughts on these selections.
