Dear Mr. Gaines:

This letter is to confirm my telephone message to you this morning. Thank you once again for making the trip from the Bronx to Paramus, New Jersey last Friday night to interview for an investigator position with the Review Board.

As I mentioned in my message I need you to provide the remainder of the information requested at questions #38 and #45 of the SF-171 form concerning the court in which you pursued legal action concerning the New York Stock Exchange. Please provide this to me in writing at your earliest opportunity as it will be necessary to further consider your application.

Please call me at the number shown if you have any questions. My voice mail extension is 229. I look forward to hearing from you soon.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
