Mr. Lyon H. Garrison, Esq.  
1116 Melody Drive  
Metairie, LA 70002

Dear Mr. Garrison:

Thank you again for your time when we spoke on the telephone this afternoon concerning your father's papers and effects relating to the Clay Shaw investigation and trial. I also appreciate your consideration of the Review Board's request that these documents, or if necessary, copies of these documents, be made available to the American people through the JFK Records Collection at the National Archives. As you and I discussed, the best way to present a complete and accurate picture of all assassination related events is to make the complete record fully available. On behalf of the Review Board, I thank you and your family for your assistance in helping the Review Board to achieve its Congressional mandate to identify and make available all federal, state, local and private records concerning President Kennedy's assassination.

For your review I've enclosed a copy of Public Law 102-526, The John F. Kennedy Records Collection Act.

I look forward to meeting with you and any members of your family, if they desire, at 7:00 pm on Thursday June 1, 1995. I will call you when I arrive in New Orleans earlier that week to confirm this appointment. In the meantime, please feel free to call me at (202)724-0088, extension 229 if you have any questions. Thank you again for your time and cooperation.

Sincerely,

Anne Buttimer, Esq.  
Chief Investigator
