Dear Paul:

It was a pleasure to meet you last week at the Review Board's Expert's Conference. I also appreciated you taking the time to meet with Dennis Quinn, Phil Golrick and myself a week ago today to discuss some issues in greater detail.

I am interested in beginning work on the ONI matter we discussed and look forward to any and all information you can provide on T1 and T2. No particle of information is too small for me to have, as potentially anything, including old addresses and old telephone numbers, will help me to locate both parties.

Please call if there is anything else we need to discuss along these lines. In the meantime I look forward to getting this information at your convenience. I look forward to speaking with you in the coming months. Thank you again for your time and assistance,

Sincerely,

Anne Buttimer, Esq.  
Chief Investigator
