Subject: Summary of FBI Holdings on Operation Alpha-66 (FBI-30)

We have completed our review of the Alpha-66 files provided to us by the Historical and Executive Review Unit. Our review, combined with the earlier review of files by Manuel Legaspi, complete the ARRB Staff request for additional information on Alpha-66. While most of the files do not contain relevant documents, we have highlighted a few documents that may be of interest. If further review is required, please let us know.
