

Megan Floyd Desnoyers

Dear Megan:

I enjoyed seeing you on Monday. Time will tell whether we made progress.

I am enclosing copies of the Manchester notes that we have thus far located in the HSCA collection. This is probably a complete set of what Mr. Manchester made available to the HSCA, although there is the possibility that other records may be located in the future.

We look forward to receiving a copy of your draft "punch list." As soon as you have completed it, I think it would make sense for you, Michelle Combs, and I to talk through the issues and jointly prepare a checkoff list to which we all will be able to refer.

Please do not hesitate to call if you have any questions.

Sincerely,

T. Jeremy Gunn
General Counsel and
Director of Research and Analysis
