

Bradley S. Gerratt

Dear Brad:

It was a pleasure seeing you in Hartford. I trust that your return to Boston was more relaxing than your trip to the meeting.

I hope that we made some progress in the Manchester matter. We would like you to know that we would very much like to be able to find a solution to the situation that satisfies your very understandable interests and that also provides a way to get Mr. Manchester's valuable historical materials available to the public. Should you have any additional suggestions or proposals, please do not hesitate to raise them.

I have sent a copy of the HSCA's collection of Manchester materials directly to Megan.

Sincerely,

T. Jeremy Gunn  
General Counsel and  
Director of Research and Analysis
