Dear Mr. Godson:

Thank you very much for sending a copy of *The Myths Surrounding James Angleton*. I have also written to Sam Halpern thanking him for asking you to send it. I read it with great interest.

If I am not being too presumptuous, I would very much appreciate your sending me a copy of *Covert Action in the 1990s*. I note that one of the discussants in that volume was Ernest May, for whom I was a teaching assistant while I was in graduate school at Harvard. I also would be very interested in learning more about other work of the Consortium.

Thanks once again for your helpfulness.

Sincerely yours,

Dr. T. Jeremy Gunn
