

LBJ Library General Discussion Issues
November 15, 1996

Status Report

What needs to be done

- Electronic records
- Updating JFK collection with new records
- Completeness of search
- Postponements/referrals
- ARRB Board review procedures

LBJ Library Records at JFK Collection at NARA

- What percentage of "assassination records" ("AR") were sent to Tilley?
- How many ARs need to be sent to Tilley?
- What updates need to be made?

Electronic Records/RIFs

- All records that were open in full prior to JFK Act do not need to have RIFs.
 - Many LBJ records in JFK Collection do not have RIFs. For those records that do not have RIFs, were they open in full prior to the JFK Act? For those that were not open in full, are RIFs being prepared?
- What records need to have RIFs updated (due to opening postponements, etc.)?
- What records do not need to be RIFed (those open in full prior to JFK Act)?
- When will electronic database be updated?
- Can we obtain a copy ASAP?

ARs with postponements

- Updating JFK Collection
 - Have some ARs been opened since original records sent to JFK Collection
 - How many?
 - What percentage of updated releases have been sent to JFK Collection?
 - What steps should be taken to get collection up to date?
- How many ARs still contain postponements?
 - E.g., number of postponements in docs listed in LBJ 8/20/93 inventory?
- Where are unredacted copies of documents with postponements?
- Have agencies responded to most recent mandatory submission referrals?
 - What is the status of these referrals?
- Have all ARs with postponements been referred?
- How many still need to be referred?
- Status of referrals

What collections at LBJ still need to be reviewed to determine whether there are ARs
