No problem making records available. Appx. 130 boxes.

Boxes are poorly labeled.

Guy Banister

Happy to give us copies.

Lot of newspaper clippings.

Warren DeBrueyes has only two boxes, not eight. He has records at the house.

Laura:

did Ann get an index of MCC?

Please draft letter from David: to MCC:

We would like to come to the MCC on Tuesday and Thursday to review the 130 boxes of MCC records that previously have been identified.

Etc. etc.
