

Testimony

Cite all material, page number. Good reference sources

Avoid photocopying unless information is particularly valuable

Testimony: As a general rule, I don't care what the staff said. Look for substantive information.

Short description of witness.

Credentials

Position at relevant time (e.g. 1963)

Brief summary of testimony

All leads for records

Names of persons whom we might wish to consult

Names for I.D.s

Organizational information

Leads for more information

eg handwriting -- what other questions are lurking
