**RE:** Lunch order for today!  
**PAGES:** 1, including this cover sheet.

I spoke to you on Tuesday, April 22, and you were expecting me to call in our order on Wednesday morning for lunch to be delivered on Thursday, April 24.

I tried repeatedly to reach you yesterday to place the order. I left messages on the answering machine. No one has ever returned my calls. I called again this morning at 8:30.

If I do not hear from you by 9:10 a.m. this morning, I will assume that you do not want our business now or in the future. My phone number is 202-724-0088.
