

MEMORANDUM

June 16, 1997

To: File

From: Joan Zimmerman

Subject: June 9-10, 1997 Review Board Meeting

At the June 9-10, 1997 meeting, the Review Board voted to open 9 protective surveys. The Secret Service had already opened 36 surveys at NARA dated from March 1963 to September 1963.

The Service has also transferred 2 files on funeral arrangements containing White House Military Office records to NARA.

David failed to present the Board with my memo dated June 4, 1997. The Review Board did not have an opportunity to designate any assassination records.
