To: File

From: Joan Zimmerman

Subject: Review of ATF Records

This morning I accompanied Ron Haron to ATF where we reviewed ATF files of the Dallas Regional Counsel's office. The Dallas Regional office represented Special Agent Frank Ellsworth at his deposition before the HSCA. We discussed these records with Robert Hogarth, Chief of the Document Services Branch.

I examined the following boxes:

1. 436-80-0003 1-9
E-10-061-1-2
2. 436-81-0018 5 of 11
3. 436-84-0010
D13-057-5-5 2/12
4. 436-81-0018 6 of 11
5. 436-84-0010 3/12
D13-057-5-5
6. 436-84-0010 7/12
D13-057-5-5
7. 436-??-0018 10 of 11

All of these boxes contained ATF criminal records from 1977-1978, and 1980. I did not find any records pertaining to SA Ellsworth. There were no "assassination records" in the boxes I examined.

Mr. Hogarth gave me a copy of notes handwritten by Attorney Steve Sundgaard, who accompanied SA Ellsworth to his HSCA deposition.
