Re: Review of USSS Information in HSCA Collection: Tucker Transcript

Dear Jane:

I am enclosing for your review a brief summary of Special Agent Edward Tucker's deposition, which is in the HSCA collection. The summary of Tucker's remarks was prepared by Leodis Matthews, who was a member of the HSCA staff.

Our understanding is that the Secret Service already reviewed and released the entire deposition in October 1995. (See the enclosed RIF # 180-10096-10079.) The summary of the contents of the deposition is attached to one of the three copies of the deposition in the HSCA collection. (See the enclosed RIF #180-10096-10078.) Because Leodis Matthews based his summary very closely on the information in Tucker's deposition, we are assuming that you would have no objection to the release of this document. We are sending the summary to you in order to insure that you have an opportunity to review it.

We ask that you complete your review of the summary no later than April 2, 1997. If we do not receive any requests for postponements from you before April 2, 1997, the Review Board will consider this document released by consent.

We appreciate your assistance in this matter.

Sincerely yours,

David G. Marwell
Executive Director
