Re: United States Secret Service Records at the March 13-14, 1997 Review Board Meeting

Dear Jane:

At its March 13-14, 1997 meeting, the Assassination Records Review Board determined that the following documents are "assassination records" under the JFK Act. I am writing in order to provide you with additional information to clarify these designations:

1. All of the records that accompanied your January 31, 1997 letter:

- File from the Secret Service New York Field Office (202 pages)
- Classified Document Log Book 1961-1965 (12 pages)
- Office of Investigation Reports (31 pages)

2. All of the records that accompanied John Machado's letter to David Marwell dated March 7, 1997:

- USSS Correspondence with the Senate Select Committee on Intelligence [Church Committee] (51 pages)

3. Documents from Secret Service files on Abraham Bolden (12 pages) and Pedro Diaz Lanz (49 pages) referred to the FBI.

The Assassination Records Review Board determined that the portion of the Raymond Broshears file you referred to the FBI is not believed to be related to the assassination of President Kennedy. We ask that you complete your review of your Broshears file and make it available to us.

4. Documents from personnel files for Clint Hill, Gerald Behn, Roy Kellerman, Donald Lawton, and Sam Kinney. I have enclosed these records for your review with this letter.

We request that you follow the same procedures for processing documents now designated "assassination records" and reviewed by the Board under the JFK Act as stated in our May 29, 1996 letter and that you complete this process by April 18, 1997.

5. The Richard Case Nagell file [154-10002-10330].

Our understanding is that you have no objection to the release of Secret Service records in this file. After reviewing correspondence from the FBI, Veterans Affairs, and the Bureau of Prisons, the Review Board determined that the entire file (with the exception of two Social Security Numbers) should be open. We request that you transfer the entire Nagell file to NARA no later than April 10, 1997.

If you have any questions about these issues and procedures, please feel free to call me.

Sincerely yours,

David G. Marwell
Executive Director
