Dear Steve:

I am writing to follow up our conversation regarding US Secret Service protective surveys and to provide information about the Review Board's recent determinations.

In July 1996, the ARRB asked the Secret Service to provide us with records from the Secret Service Archives. As part of its response, the Service supplied eight protective surveys dated from October 31, 1963, to November 21, 1963. I have enclosed our correspondence with the Secret Service which outlines the review process for these records. The Final Determination Forms for the Tampa and Miami protective surveys show that these are open in full, and the Service should have delivered them to you. Please let me know if you have not received them.

I am also enclosing our letter to the Service detailing the Review Board's determinations at the March 13-14, 1997 meeting. Of particular interest is the Richard Case Nagell file [154-10002-10330], which we have asked the Secret Service to deliver to you by April 10, 1997. If you do not receive it, please let me know.

As always, thanks for your help.

Sincerely,

Joan Zimmerman
Senior Analyst
