Re: Request for Information (SS-19): Files and Records on Anti-Castro Activities, Protection Matters, and the Communist Party

Dear Jane:

This letter constitutes our nineteenth formal request for additional information and records under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994). We request that you make available for our inspection the following records:

1. Folder entitled "Envelopes with TOP SECRET Teletype," dated 3/63: "Info. on persons involved in anti-Castro activities." This folder is listed as item #12 in Box 26, on a document (copy enclosed) entitled "Protection (Historical Vault)," which we understand comes from the OPO-85-0001 inventory.
2. A folder with no title dated 8/23/63-10/26/65, described as "Gen info on various protection matters; teletype re Communist Party classified SECRET." This folder is listed as item #16 in Box 26, on the document entitled "Protection (Historical Vault)," OPO-85-0001 inventory.

We ask that you examine the entire contents of Box 26 for any additional documents that may be relevant to the assassination of President Kennedy.

By making this request, we are not designating these materials "assassination records." To the extent that this request presents logistical or other difficulties that we may not have anticipated, or to the extent that these records may be located in the National Archives at a place other than the JFK Collection, we will be happy to discuss with you ways in which the request might be amended.
