Dear Jane:

Re: Request for Information (SS-16): Classified Log Book

This letter constitutes our sixteenth formal request for additional information and records under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994).

I am writing to ask that you provide a full explanation for the "classified log book" from which the attached photocopies (included in your letter of January 31, 1997) were made. Specifically, (a) we would like to know the provenance of the book (who maintained it and where it was kept), and (b) we would like an explanation of the numbering system for the documents listed in the "S.S. Number" column.

We would also like to have access to the records described in the log book.

By making this request, we are not designating these materials "assassination records." To the extent that this request presents logistical or other difficulties that we may not have anticipated, or to the extent that these records may be located in the National Archives at a place other than the JFK Collection, we will be happy to discuss with you ways in which the request might be amended.

We ask that you make these records available by May 21, 1997.

We appreciate your assistance.

Sincerely yours,

David G. Marwell  
Executive Director
