

Joan Zimmerman Notes on Board Meeting November 13-14, 1995

## Secret Service

1. Home addresses are tabled until the Secret Service provides the following information:
  - a. Current status of the individual (alive? address current?)
  - b. Current need to protect information
2. The witness (non-USSS agent) name will be released.
3. Names in the threat files will be released in full (except document 20d is tabled pending information from FBI)
4. Postpone release of the Social Security Numbers
5. On Presidential Protection:  
Need information and examples of what has already been released in government documents
