Re: RIF #154-10002-10353

Dear Jane:

I have your letter of December 11, 1996, acknowledging our letters of December 2 and December 3, 1996. My letter of December 3, 1996, to you included 7 documents listed as "Records Voted Open in Full." Among these 7 documents was #154-10002-10353.

As you will recall, your letter of August 9, 1996, discussed your reasons for requesting postponements in 154-10002-10353. Your requests were based on § 6(3) of the JFK Act. The Review Board carefully considered your arguments pertaining to privacy and concluded that the information could be released without harm to any individual or to the United States. The Review Board's determination on 154-10002-10353 has been noticed in the *Federal Register*, and my letter of December 2, 1996, to Director Bowron indicated that the Secret Service would have 7 days to appeal the Review Board's decision.

Your letter of December 11, 1996, now states that you wish to appeal the Board's decision and change your claim to postponement to both § 6(4) and § 6(5) of the JFK Act. In order to initiate the Board's further attention to this document, you will need to request the Board's reconsideration and submit evidence for your new claims.

If you wish to submit your request along with evidence responsive to § 6(4) and § 6(5) of the JFK Act for 154-10002-10353, we request that you complete your submission by January 3, 1997.

If you have any questions about this matter, please call me.

Sincerely yours,

David G. Marwell
Executive Director
