

MEMORANDUM

February 16, 1996 (Updated February 27, 1996)

To: David Marwell, Jeremy Gunn, Noelle Gray, Jerrie Olson
cc: Phil Golrick

From: Joan Zimmerman

Subject: HSCA-USSS Records at the February 29-March 1, 1996 Board Meeting

The Board will be able to consider the following:

I. A report by USSS SA R. David Freriks on Thomas Vallee 180-10080-10089 (November 26, 1968): 4 recommended postponements. [With a caveat: In her letter of January 4, 1996, Jane Vezeris specifically mentioned the synopsis of the USSS report as she listed her reasons for postponements on this document. The Secret Service had two opportunities to mark a redaction for the synopsis--on the October 20, 1995 copy and again on the November 9, 1995 copy--but the USSS did *not* redact the synopsis on the documents. If the synopsis is added per the January 4 letter, then there would be 5 postponements.] The USSS listed 6(3) as the basis for postponement in its letter of October 20, 1995. In the November 9, 1995 letter, the USSS indicated both a 6(3) and a 6(5) postponement for this document. Staff recommendation: Release.

II. Memorandum from Eileen Dinneen to Dick Billings with Attachments 180-10103-10465 (October 19, 1978): 111 recommended postponements. On both the October 20, 1995 list and the November 9, 1995 list, the USSS indicated 6(3) and 6(5) as the basis for postponement. See January 4, 1996 letter by Jane Vezeris for justifications. Staff recommendation: Release.

III. Threat Sheets (Individuals Listed by Protective Research) 180-10065-10379: Folders 2 and 3: (140-279) [page 258 is missing] and 280-413 [page 321 is missing]: 298 recommended postponements. The USSS indicated 6(3) and 6(5) postponements on the October 20 and November 9, 1995 lists. See January 4, 1996 letter for justifications. Staff recommendation: Release.

IV. Eileen Dinneen Review of JFK Trip Files for 1963 with Secret Service Report Forms 180-10087-10302 (March 24, 1978): 74 recommended postponements. On the October 20 and November 9, 1995 lists, the USSS indicated 6(3) and 6(5) postponements. See January 4, 1996 letter for justifications. Staff recommendation: Release.
